Rev. J. Schmieder,
Dear Pastor.-

Another year is drawing to a close and during that time I have had the privilege of listening in to your very beautiful sermons over the radio.

It is indeed a blessing for the sick and shut in to get those sermons over the air and also in the German language.

I am enclosing a small donation toward

the radio fund with the wish that the Good Lord will bless you with good health that you may for many more years be able to send out your sermons through Kirche Daheim.

Wishing you the Seasons Greetings.

Yours Truly

THE STUDY OF
Ewald H. Sterz
EV. LUTH. PASTOR

Hanover, Ont;
Febr. 16th, 1937.

To the Radio Committee,
"Kirche Daheim,"
Kitchener, Ont;

Dear Friends,

The regular listeners of "Kirche Daheim" here in Hanover, as well as the large number of friends who are truly grateful for your broadcast, are eagerly waiting for the celebration of the Seventh Birthday of Kirche Daheim on Sunday.

Formerly the voice of the church-bell on Sunday morning brought sad longings and wistful sighs to aged and shut-in Christians as the other members of the family gathered in the House of God. At best, a quiet hour with the hymn-book and the memories of past Sundays with their hallowed experiences, and afterward an account of the pastor's sermon from the returning worshippers, to comfort the invalid.--But "Kirche Daheim" has for seven years,--years of blessed ministry,--dispelled this sadness for a large congregation of such who cannot go up to the House of God. With the voice of the church bell they are again united with the singing, praying, listening people of God and the familiar atmosphere of their Church Home pervades the confines of the sick-room. To how many cross-bearers the broad-cast of "Kirche Daheim" in these seven years has truly become "The Voice of Home" can only be told in eternity. But I know that I am voicing the sincere sentiment of many friends of "Kirche Daheim" in Hanover when I say: May God permit you to continue this blessed work for many years to come!

With kindest wishes to Pastor Schmieder and all his co-laborers in Kirche Daheim,

cordially yours,

Tavistock, Ont.,
